Ms. Pouran Poueghbal

Mr. Ali Khodami

Immigrating to another country creates numerous problems for families, one of them being experiencing a different culture and experiencing pressures leading to a divorce.

The three specialists on this panel will be talking about divorce, the related issues, and the ways couples can communicate effectively with each other to prevent them from reaching this final stage. This lecture is for males and females of all ages, and it is open to all. The lecture will be followed by Iranian traditional music by Kess Van Den Dole playing the Ney, a Persian poetry recital by Mr. Bahram Tahriha, and refreshments.
